

In the midst of a global pandemic Couleecap Continues to Help

**“This is AMAZING.
There is no way I
could have done
this by myself.”
-Candis**

Candis was one of many people in our area whose home suffered flood damage in 2018. For two years, she worked to navigate complex and changing flood recovery programs before she could get the assistance she needed. While she waited, she endured mold, dishonest contractors, anxiety, and health issues. Candis’s mobile home floor was so compromised she broke her ankle falling through her kitchen floor.

Candis received support from the Couleecap Project Recovery team, who helped counsel her when the situation’s stress and anxiety were too much for her. Couleecap Emergency Assistance Program staff shepherded her through the lengthy process, and in the end, advocated for her to receive a home replacement when it was clear that rehabilitation was not an option for her badly damaged home.

Candis worked with Couleecap and a local company to design her replacement home. She was able to pick out her flooring, kitchen cabinets, and other features. Even with delays due to a global pandemic, Couleecap’s work continued, and this fall, Candis moved into her new manufactured home. When asked what she would say to donors who support Couleecap, Candis wanted people to know how grateful she is that Couleecap and these programs exist. “The money you give stays in our local communities. It helps people you know.”

Couleecap programs, such as our Flood Rehabilitation program, serve thousands of people in the Coulee Region each year. These programs are possible because of the financial support we receive from donors like you. Your support has given Candis and her family the security of a new home with new appliances and low maintenance for years to come.

Couleecap
your local community *action* program

A United Way member agency

A equal opportunity employer and service provider.
Auxiliary aids and services available upon request.

Our Mission

Couleecap fights poverty and promotes self-sufficiency, economic development, and social justice. We are **People Helping People**, and every day our actions make a difference in the lives of people and families throughout the Coulee Region.
