Couleecap Nominated for First-Pitch Competition

(Westby, WI) - Couleecap is one of 10 nominated finalists in the La Crosse Area Day First-Pitch Competition.

The fund-raising competition is being held by the La Crosse Area Convention and Visitors Bureau, and features non-profit and charitable organizations from the La Crosse area. Organizations were nominated during the month of February and the top-10 have moved on to the voting round which runs from March 5 through April 5.

During the competition, each organization receives one vote for every dollar donated to that specific charity. All money donated will go to the organization, regardless of the competition's outcome. A representative of the winning organization will be awarded with throwing out the first pitch at the La Crosse Area Day Brewers game at Miller Park on June 25.

Couleecap is a community action program that helps people in need with housing, food, transportation, and more. We are a community action program that fights poverty and promotes self-sufficiency in Crawford, Vernon, Monroe and Vernon counties.
