Program Changes are Coming to the Wisconsin Home Energy Assistance Program (WHEAP) in Vernon County

(Westby, WI) Attention all participants of the Wisconsin Home Energy Assistance Program (WHEAP) in Vernon County. Effective June 1, 2015, the Vernon County Department of Human Services will be operating the WHEAP program.

People requesting WHEAP services after May 31st should contact Vernon County Human Services at 608-637-5210. The program's new location will be at the Erlandson Building in Viroqua on the 1st floor. More information can be found on the Vernon County website www.vernoncounty.org.

Couleecap, Inc. should be contacted for any WHEAP services requests before June 1, 2015.

The WHEAP program offers a benefit to eligible households to assist with heat and electric bills, crisis assistance for heat and electric bills, and furnace repair and/or replacement assistance to owner occupied homes.
