### **Couleecap seeks working adults looking to increase their education**

(La Crosse, WI) Couleecap currently has assistance available for working adults who are either in school or looking to return to school in order to learn new skills that will lead them to a better paying job or enter a new career field.

The program serves participants currently working a minimum of 20 hours per week, and who have an annual household income that is at or below 150% of the Federal Poverty Level. The program increases family earned income and benefits by assisting with the training needs of low-income workers. Participants can receive support for educational expenses such as books or tuition, child care costs, transportation expenses, and more.

To apply, visit [www.couleecap.org](http://www.couleecap.org) and download the Skills Enhancement Program application. For more information contact Aaron Reimler at 608-797-5746 or [aaron.reimler@couleecap.org](mailto:aaron.reimler@couleecap.org).
