REPAIR LOAN PROGRAM INFORMATION

1. You must be employed to qualify, having received your first full paycheck from your current employer. If self-employed, you must show that you have been self-employed for at least six months.
2. The eligible vehicle must be required to travel to and from employment and the title must not have any liens on it (we hold the original until the loan is paid off).
3. You must be listed as the owner of the vehicle in need of repairs.
4. It is your responsibility to obtain all required documents.
5. Repairs cannot already have taken place before you apply for assistance. You must be approved before they are ordered. Couleecap cannot reimburse anyone for payments they have already made to a repair shop.
6. Your application should go through an initial screening within 72 hours of being received by the Program Specialist.
7. Vehicle registration must be current.
8. No drinking & driving violations in the past 36 months.
9. No outstanding debt to the State of WI, unless proof of a payment plan is submitted.
10. Your vehicle must be worth the repairs needed. Your request for assistance will be denied if the estimate of repair is higher than half of the vehicle value. Worth of the vehicle is calculated by the Program Specialist. It is done the same way for all applicants.
11. **If approved:** You will be required to pay at least 50% + taxes of the repair bill, and any amount over the \$1000 maximum loan amount. You will know the estimated amount prior to ordering the repairs; all details will be listed on the approval letter which you will receive by mail/E-mail if you qualify. There is a repair loan minimum of \$100. A repair loan payment plan will be determined at the time of approval with a minimum monthly loan payment of \$50.
12. **If denied:** You will have no assistance from the program to pay for your repair, as your request did not fit the qualifications. You will get a denial letter in the mail.

VEHICLE PURCHASE LOAN PROGRAM INFORMATION

1. You must be employed to qualify.
2. You must be currently employed for 90 or more days at a secure job or 36 months of consistent employment if you recently switched employers. If self-employed, you must show that you have been self-employed for one full year.
3. Your application should go through an initial screening within 96 hours of being received by the Program Specialist.
4. It is your responsibility to obtain all required documents.
5. **If approved:** A one-one-one in-person orientation at the Couleecap office of your choice will be scheduled. You will get a phone call and a letter in the mail stating the approval. You will get a detailed process packet that will describe all steps from approval to vehicle purchase and loan payments.
6. **If denied:** You will not receive a vehicle loan, as your application did not fit the qualifications. You will get a denial letter in the mail.
7. Loan payments are no more than \$150.00 a month, and the maximum loan amount available is \$5,400.00. The loan must be paid off in 36 months.
8. The vehicle you wish to purchase can have no more than 150,000 miles.
9. The vehicle must have an equal or higher value than the sale price. This is calculated by the Program Specialist and done the same way for all applicants.
10. If you are unable to secure reasonable auto insurance under your name, you will not be granted the loan. Full coverage insurance is mandatory for the duration of the loan. Proof of insurance must be provided at the point of sale.
11. You must pay for the tax (5.5%), title (\$69.50), license plate fee (\$75), lien fee (\$10), and any dealer fees (\$0-199) for the vehicle. You must also pay an administration fee to Couleecap for five percent of the loan amount (maximum \$270).
12. Private purchases are not allowed. All purchases must be through licensed dealerships that are within the Crawford, Monroe, Vernon, and La Crosse County areas. **Under no circumstances will out-of-state purchases be eligible.** Please see the list of providers that already work with the program for suggestions.
