The Johns Flaherty Collins-Michael Stoker Memorial Fund of the La Crosse Community Foundation Supports Couleecap's Homeless Programs

(Westby, WI) Couleecap, Inc. is honored to announce that it has been awarded a grant for \$7,500 from the Johns Flaherty Collins – Michael Stoker Memorial Fund of La Crosse Community Foundation. “Our Supportive Housing Program serves individuals and families who are experiencing homelessness,” said Kim Cable, Couleecap’s Housing and Community Services Director. “We appreciate the La Crosse Community Foundation’s support and the positive impact it has on our community.”

Our primary goal is to move individuals and families from homelessness to permanent housing and self-sufficiency. Those in the program work on goals such as finding employment, improving their housing stability, and increasing their self-determination. The Supportive Housing Program offers special support services to homeless participants who are disabled or experiencing mental health issues.

For every dollar donated, Couleecap will receive \$4.00 in federal funding. “This \$7,500 gift allows us to bring \$30,000 of federal assistance to our service region,” said Kim Cable, Couleecap’s Housing & Community Services Director.
