Hours Reduced at Couleecap's Sparta Food Pantry

Earlier this year, Couleecap expanded its hours of operation in order to be responsive to needs resulting from COVID-19. Couleecap's Sparta Food Pantry is now returning to its Pre-COVID-19 hours.

Beginning June 29, 2020, Couleecap's Sparta Food Pantry will be open on Monday and Thursday from 10:00 a.m. to 3:00 p.m. We will continue to provide curbside, no-contact services during these hours.

For those interested in food pantry resources, enrollment is confidential and simple. Couleecap's pantry is located at 217 N. Black River Street in Sparta, WI. Couleecap's pantry will provide food on the day of application, and at least once each month as long as the household's income qualifies them to participate. Proof of address and identification are required; proof of income is not required.

Household participating in other food programs (such as Food Share, WIC or school nutrition) may also participate in TEFAP without affecting their ability to qualify for those programs.

Couleecap's pantry staff and volunteers are providing "no contact" food distribution during the COVID-19 pandemic. We are enrolling households and distributing groceries outdoors to minimize health risks.
